

How To Find

parlezvite

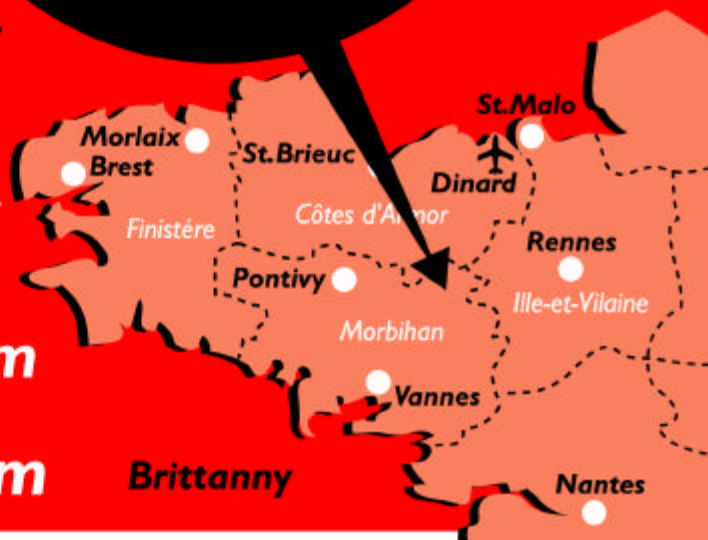

Language School - école d'langues

Parlezvite Language School is located in the centre of Brittany in the small village of Mohon, approximately 10 minutes drive from Josselin and 20 minutes from Ploermel.

From the direction of Rennes, leave the N24 at junction 4, Mohon is clearly signposted.

From Dinan and Dinard follow the signs for Vannes, then Ploermel, leaving the N24 at junction 4 and following the signs to Mohon. We are approximately 75 minutes drive from both Dinan (Ferry Port) and Dinard (airport).

Mohon is a small village and finding Parlezvite is relatively simple. After following the signs to Mohon (from the direction of Josselin) turn left at the church. Continue for approx. 100 metres turning right at the Town Hall (signposted for Evriguet). Continue on for a further 100 metres going straight across at the junction. Parlezvite is on the left hand side about 100 metres further on.
